Prof.Dr.K. Kasthurirangaian

Indian Wind Power Association

Chennai

Dear Prof.Kasthurirangaian

Greetings from the Indo German Chamber of Commerce.

Refer my telecon with you & Mr Shankar today. As you are aware, the countdown has begun to the WindEnergy Hamburg 2018 . From 25-28 September 2018 , all eyes will be on the city of Hamburg as the biggest exhibition for the wind industry opens its doors. Organised by Hamburg Messe und Congress every two years at the Hamburg Fair Grounds, it is the meeting point for all involved with the wind industry.

We are pleased to inform you that Indo German Chamber of Commerce is organising an India Pavilion at the WindEnergy Hamburg 2018. Complete with all amenities, fully furnished 9 sq.mtr. stands are available . As requested, more details with costing etc. you may find in the attachment. Please inform your members about the same. Interested member companies may contact us for participation.

Ms Tanu Ailawadi has taken over as the Hamburg Fairs Representative in India.

Please fill the enclosed form in the attachment & contact us to book your space!!

Thanks & kind regards,

Ms Norma Remedios Xavier
