IWPA Circular No. 9 of 2025-26

Dear Member,

Presentation on Repowering Policy & AMC Meet at Coimbatore on 18 February 2026

Members are informed that the Government of Tamil Nadu has issued amendments to the Tamil Nadu Repowering, Refurbishment and Life Extension Policy for Wind Power Projects, 2024, vide Government Order dated **14.01.2026**, based on detailed stakeholder consultations.

It may be recalled that the original Repowering Policy, 2024, notified earlier, was challenged by the Indian Wind Power Association (IWPA) before the Hon'ble Madurai Bench of the Madras High Court, which had stayed the operation of the said policy.

In order to throw more light on the amended policy and to provide clarity on various aspects, including operational implications and compliance requirements, IWPA is organizing a meeting on **Wednesday, 18 February 2026**, at **The Residency Hotels, Coimbatore, between 10.00 am to 11:30 am**.

Following this session, an **AMC Meet** is also scheduled on the same day at the same venue. During this meet, OEMs and O&M service providers will be invited to showcase their business models and make presentations, which will assist members in selecting their preferred O&M service provider. Since members have the option to choose from multiple service providers, decision-makers are requested to participate in large numbers to derive maximum benefit.

The programme will be a one-day session. The detailed agenda for the event will be circulated shortly.

To facilitate advance planning and seamless arrangements, members are requested to fill in the Google Form by clicking the link provided below and submit the same at the earliest, enabling us to pre-book seats. Kindly note that **seats will be allotted strictly on a pre-booking basis**.

Google Form Link: <https://forms.gle/bbnge1Y83FCWJZxHA>

The invitation for the event is attached herewith, please.

We look forward to your active participation.

Thanks and regards,

Mohankumar M
Secretary-General
